Based on *The Feedback Fix: Dump the Past, Embrace the Future, and Lead the Way to Change*

© 2017 by Joe Hirsch
Rowman & Littlefield

Joe speaks and teaches about the following topics:

THE FUTURE OF FEEDBACK

- Why traditional feedback fails – and how some companies are fixing it
- Engaging millennials through real-time feedback
- From ratings to development: Designing a roadmap for your organization
- The death of performance reviews: Managing in a real-time world

FEEDBACK FOR LEARNING

- “Yes, and...” – feedback that fires up creativity
- How to unleash the genius of your team
- When bad news is good news: The upside of a negative review

FEEDBACK FOR LEADING

- Feedback that fosters mindful leadership
- Leaders who laugh: The surprising science of executive feedback
- How to unleash the genius of your team
- Leadership: Are you creating followers or leaders?
- Playing the long game: Managing for profit and purpose

FEEDBACK FOR LIVING

- Listening to your inner coach
- Getting what you want by giving others what they need
- Overcoming anxiety, conquering fears, breaking silos
